BACKGROUND

Have you previously been a Rotarian?

Yes *Club(s) name: Duration: Your RI ID#:

Note: We must confirm you ended your prior Rotary membership in "good standing".

x - No

List civic, business/community organizations you are involved and if any positions held:

I've never been a member of a rotary before. I used to go to Trinity Chapel Church when the church was on MacLand Rd. But the pastor parted ways with the church and started church at another location.

Why do you want to be a member of the Rotary Club of Vinings Cumberland?

I would like to help and give back to the community near where I live. Getting older now and wanting to not have to travel far to help others out and I feel The Vinings Cumberland Rotary is big contributor in resources to give under. I also have a marketing app called FreeFindz I've been working on for 4 years designed to specifically give/help anyone and everyone in need. I am looking forward to being an asset and great help within/outside of rotary to grow along with the club!
